OFFICE OF PRESIDENT

April 5, 1962

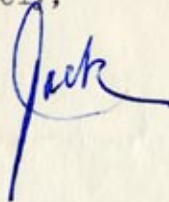

Dear Walter:

Knowing you are busier than a bird dog on opening day of hunting season, I want to send you these few words to wish you and the entire club every success and happiness on opening day at the Stadium. And I'll throw in a wish from that day on too!

I'll be seeing you in new, familiar places!

My very best to Kay and yourself.

Sincerely,

Mr. Walter O'Malley
